MEMORANDUM FOR: Chiefs of Support, DD/P Components

SUBJECT : Shipping Addresses

REFERENCE : Memo dtd 15 Jan 64 for SSA-DD/S fr OL/EO, same
subj

1. We have been advised by the Office of Logistics that certain consignee addresses included in the Shipping Address Directory may not be in accordance with addresses on record with the Central Cover Staff. It also appears that several flaps have resulted from the use of obsolete addresses or the use of addresses not properly documented

2. To correct these discrepancies it is necessary that the Shipping Address Directory be brought up-to-date as soon as possible. Logistics Officers in the DD/P components should arrange to meet with the Central Cover Staff

and Mr. [redacted] currently on file. Requests for necessary additions, deletions or corrections should then be submitted to the Office of Logistics via the Central Cover Staff.

3. It is realized that the updating of the Directory will take some time. Divisions should continue to use the current list of addresses, as published by the Office of Logistics, until revisions can be accomplished.
